RE: Staff Changes

Dear Students and Parents:

First, we want to thank you for your relationship with BHCS and for a good 2012/2013 school year.

As a School Board, we have learned over the last four years that the secret to our success is God's guidance, a strong foundation in each area of our Ministry, and to use our talents and those of our Staff to the best of a person's ability; where they are best utilized within the Ministry. We are excited to inform you that with God's grace, smart business decisions, hard work, much prayer, and your support, the Ministry is stronger than it has been in decades.

As you may know, in 2014, the ACSI will recertify our school's accreditation. To that end, during this school year, The Board and Ms. Christi Sims have become more involved with the Association of Christian Schools International (ACSI), our accrediting body, and several other Christian Schools in our area. During this time, we have observed what others do well, and it has become obvious what we already do well, as well as areas in which we may improve. As stated above, the first thing we must have in the school is a strong foundation. Said foundation begins with God's presence and continues with leadership. With that in mind, we are now committed to work with the ACSI to identify and hire an experienced Educator and Administrator to serve as the leader of the school and Head Master. With God's guidance, we plan to fill this position as soon as possible. We also plan to work with ACSI and our staff to improve the overall curriculum in the school, which will better prepare our students for college.

With growth and improvement comes change, and with change often comes personnel changes. These changes to date for the upcoming year are as follows:

- John Mattingly will become the BHCS event coordinator and will continue to serve as Campus Pastor and Bible Teacher.

- Cindy Froman has decided to follow a lifelong dream to work full time with marine mammals. Cindy will soon join the staff of the Louisville Zoo on a full time basis. Cindy has been a part of BHCS since she was a young child. We look forward to working with her in the future on a part time and/or as available basis. We are so very happy for Cindy and know that God will bless her as she pursues her passion.
- While we are saddened by Cindy's departure, we are extremely happy to inform you that our own Mrs. Diana Cahill will become our School Counselor. Mrs. Cahill holds a Bachelor's Degree in Sociology from the University of Louisville and has begun working toward her Master's Degree in Christian Counseling. She has many years of practical counseling experience. Cindy will be training and advising Mrs. Cahill throughout the summer and the coming school year.
- Christi Sims will continue to be our ACSI Coordinator and will assist in other areas as needed.
- Regrettably, we must inform you that Mrs. Melissa Pace has resigned effective at the end of this school year. Also, Mrs. Lisa Vincent will not return for the 2013/2014 school year. We are sure that you join us in thanking these ladies for their service and contribution to God's work here at BHCS. We wish them all the best in their future endeavors.

Finally, we would like to remind you that we have two weeks of school remaining. Please continue to hold your children accountable to their school work.

Again, thank you for your support of BHCS. We look forward to finishing this year strong and to the 2013/2014 School Year.

May God Bless each of you!
